Neighborhood Commercial Center
Special Use Permit Supporting Information
for a Pre-existing Neighborhood Commercial Center and for
Pre-existing Buildings that Exceed the Maximum
Lot Area of 30,000 Square Feet

(This form must be filled out completely before your application will be accepted.)

The Zoning Board of Adjustment cannot approve a Special Use Permit unless all of the “General Standards” and the “Commercial Zone Standards” are met. In order to facilitate review of this application for a Special Use Permit, the applicant must address each of the “General Standards”, set forth in Section 29.1503(4)(a), and in addition, the “Commercial Zone Standards”, set forth in Section 29.1503(4)(c) of the Zoning Ordinance.

(Note: The applicant’s explanation of how the request meets each standard may be attached on a separate sheet if sufficient space is not provided.)

1. **General Standards.** The *Planning and Zoning Commission* and the *Zoning Board of Adjustment* shall review each application for the purpose of determining that each proposed use meets the following “General Standards”, set forth in 29.1503(4)(a), and in addition, shall find adequate evidence that each use in its proposed location will:

- (a) ***Be harmonious with and in accordance with the general principles and proposals of the Land Use Policy Plan (LUPP).***

Explain how the request meets this standard.

- (b) ***Be designed, constructed, operated, and maintained so as to be harmonious in appearance with the existing or intended character of the general vicinity and that such use will not change the essential character of the area in which it is proposed.***

Explain how the request meets this standard.

- (c) ***Not be hazardous or disturbing to existing or future uses in the same general vicinity.***

Explain how the request meets this standard.

- (d) ***Be served adequately by essential public facilities and services such as highways, streets, police, fire protection, drainage structure, refuse disposal, water and sewage facilities, and/or schools.***

Explain how the request meets this standard.

- (e) ***Not create excessive additional requirements at public cost for public facilities and services.***

Explain how the request meets this standard.

- (f) ***Not involve uses, activities, processes, materials, equipment or conditions of operation that will be detrimental to any person, property or general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare, or odors.***

Explain how the request meets this standard.

- (g) ***Be consistent with the intent and purpose of the Zone in which it is proposed to locate such use.***

Explain how the request meets this standard.

2. **Commercial Zone Standards.** The *Planning and Zoning Commission* and the *Zoning Board of Adjustment* shall review each application for the purpose of determining that each proposed use in a commercial zone meets the “*Commercial Zone Standards*”, set forth in 29.1503(4)(c), which are listed below, and shall find adequate evidence that each use in its proposed location will:

- (a) ***Be compatible with the potential commercial development and use of property planned to occur in the area.***

Explain how the request meets this standard.

- (b) ***Represent the sufficiently desirable need for the entire community that the loss of commercial land is justifiable in relation to the benefit.***

Explain how the request meets this standard.

- (c) ***Be consistent with all other applicable standards in the zone.***

Explain how the request meets this standard.
