## **Education Differential**

In addition to the current salary rate, firefighters will receive premium pay for successful completion of Fire and Emergency Services-Related courses taken at a higher education institution with regional accreditation from one of the six regional accrediting agencies recognized by the Council of Higher Education Accreditation or those considered comparable to the National Fire and Emergency Services recommended associate or bachelor's curriculum which have been approved by both the Fire Chief and the Association President.

## **Educational Reimbursement**

In addition to the premium pay, firefighters may also be reimbursed for the cost of tuition for approved Fire and Emergency Services-related courses completed with "C" grade or higher.
